

SPECIAL PIE

M4P1/M4P1-W

Airsoft Timing System

1. PROFILE

SPECIAL PIE M4P1 Airsoft Timing System consists of a shot timer and a stop plate. M4P1 is used for timing in shooting such as airsoft, water bomb and paintball. The stop plate surface is made of steel which provides feedback to the shooter after being hit. M4pS can be connected to the big LED display wirelessly to synchronize timing and score data.

2. FEATURE

2.1 High Precision

UHF radio frequency technology. The shot timer receives vibration induction data from the stop plate after shooting, which is different from the sound pressure induction under the firearm mode. Free from sound interference.

2.2 Intuitive

When the stop plate be hit, the target face color will change. If the target face color does not change, the timer will not stop. So it is very intuitive for the shooter to know if him/her shoot it or not.

2.3 Removable

Built in rechargeable battery, convenient to carry about. So it is suitable for indoors and outdoors.

2.4 Wireless connection within 100M.

Shot timer and stop plate is connected wirelessly, indoor for 50meters, outdoor for 100meters. Making the shooting stage be built in a very short time.

3. Technical parameters

Brand	Products Name	M4P1 Airsoft Timing System	
	Item NO.	M4P1	M4P1W
	Wireless module	no	433 MHZ wireless module
	Applicable	airsoft, water bomb	
	Battery capacity	2600mAH	
	Charging voltage, Electric current	12v 1A	
	Operating voltage,	7.5v	
	Working Temperature	0-70 Celsius	
	storage temperature	-20-70 Celsius	
	Waterproof class	IPV4	
	Size	16cm*14.5cm*3.5	
	Net weight	1.46kg	
	Charge time	2.5 hour	
	Operating environment	Indoor, outdoor	

4. PACKAGE LIST

M4P1 (Wired Version)

① Target drone

② Target plate

③ Charging adapter

④ Inner hexagon

④ USB cable

⑥ Shot timer

⑦ Telephone wire

⑧ User manual

M4P1-W (Wireless Version)

① Target drone

② Target plate

③ Inner hexagon

④ Antenna

⑤ Charging adapter

⑥ USB charging cable

⑦ Shot timer

⑧ Telephone wire

⑨ User manual

Recommended Accessory-Big Board Display

Can be connected to M4P1-W wirelessly within 100meters

5. WARRANTY

This product is manufactured by SPECIAL PIE to be free from defects in material and workmanship for a period of 12 months from date of purchase by the original purchaser for use. At its option, will repair or replace without charge any products which fails during the warranty period by reason of a defect in material or workmanship found upon examination by Guangdong Special Pie Technology Ltd. to have been the cause of failure. This warranty does not cover any failures attributable to abuse, mishandling, failure to follow operating instructions, alteration or accident. To make claim under this warranty, the purchaser must return the product to Guangdong Special Pie Technology Ltd. at the address shown below, properly packed and with shipping charges prepaid.
